Re: Statement of Compatibility: LG Electronics' PV Modules and ESDEC FlatFix Wave Racking System

This letter shall serve as a statement of compatibility between LG Electronics' photovoltaic modules and ESDEC FlatFix Wave Ballasted racking system. This letter is provided as a supplement to the installation and safety manual provided with the modules at the time of sale.

This compatibility has been confirmed by review of the ESDEC FlatFix Wave racking system design and mounting method and shall be applied when installed in landscape (clamping at the long frame) only.

Module warranties provided by LG Electronics shall apply only for listed modules that are installed, operated and maintained in accordance with the relevant product information, in particular the specifications, installation instructions and other product documentation provided by LG Electronics and by ESDEC.

The following LG Electronics photovoltaic modules are approved for warranty:

LG Model Number	LG Model Number	LG Model Number	LG Model Number	LG Model Number
LGxxxNxx-V5	LGxxxQxx-V5	LGxxxNxx-N5	LGxxxNxx-L5	LGxxxQxx-N5

LG Electronics' warranty provides all the terms and conditions underlying our obligations and the warranty.

Although this letter serves as an authorization to employ ESDEC FlatFix Wave Ballasted racking system, the original warranty terms for the modules would be rescinded in the event of:

- Misuse, abuse, neglect, or accident such as damage to the cells, glass or backsheet;
- Alteration, improper installation or application;
- Non-observation of LG Electronics' installation and maintenance instructions;
- Repair or modifications by someone other than an approved technician of LG;
- Power failure surges, lightening, fire or other event outside LG Electronics' control;
- Incidents of non-conformance directly to this mounting / grounding procedure.

If you have any questions or concerns in regards to this letter of authorization, please feel free to call your LG Electronics Sales Manager.
