Subject: Approval Letter for ECDEC FlatFix Wave Racking System

To Whom It May Concern

Our modules have been certified to UL1703 standard in accordance with CSA certification body. Please refer to LONGi Installation Manual for the mounting methods that are currently approved.

LONGi Solar Technology Co., Ltd ("LONGi Solar") state that the compatibility has been confirmed by review of the ESDEC FlatFix Wave racking system design, with same use the mounting hole to fix the module, the standard LONGi module load ratings described in the standard installation manual shall apply when installed with the ESDEC FlatFix Wave racking system.

Module warranties provided by LONGi Solar shall apply only for listed modules that are installed, operated and maintained in accordance with the relevant product information, in particular the specifications, installation instructions and other product documentation provided by LONGi Solar and by ESDEC.

This letter shall serve as a statement of compatibility between LONGi Solar photovoltaic modules and ESDEC FlatFix Wave Ballasted racking system. This letter is provided as a supplement to the installation and safety manual provided with the modules at the time of sale.

Thank you for your understanding and welcome your comments or suggestions. If you have any further question, please contact LONGi PV Sales or Global Customer Service Department.

Best regards,

Kevin Lu
